

## ***WHAT IS FUSION'S HONORARY BOARD?***

---

Fusion has been designed to highlight the excellence of female filmmakers in the industry and within the student body, to inspire a new generation of female directors and cinematographers, and to encourage respectful and supportive collaboration between the sexes. Fusion's Honorary Board has been developed as a means to foster a relationship between Fusion and members of the industry who have inspired our efforts. As the 2004 festival will be the first official Fusion Film Festival, joining Fusion's Honorary Board is an incredible way to offer your support to this venture. As New York University's Tisch School of the Arts is Fusion's primary sponsor, we are confident that Fusion will continue long into the future as a standard event at the university. By lending your name to the Fusion initiative and The Fusion Film Festival you are lending support that is imperative to the continual inspiration of filmmakers up and coming and established in the industry, whose support is what will make this venture as powerful and meaningful as we hope it to be.

## ***HONORARY BOARD MEMBERS***

---

Fusion's Honorary Board is meant to be comprised of men and women in the film industry who are doing exceptional work and who have inspired young filmmakers male and female. As an Honorary Board Member you commit to lending your name to Fusion as we continue in the crusade to garner support from the industry and potential sponsors. All Fusion Honorary Board members will receive VIP Passes to March's Official Fusion Film Festival and receive honored acknowledgement at all festival events. As an Honorary Board Member, Fusion will also keep you updated as to all festival and post festival developments, events, and opportunities.

## ***WHERE WILL MY NAME BE USED?***

---

As a Fusion Honorary Board Member your name will be posted on Fusion's official website, printed in Fusion's 2004 Festival Catalogue, referenced in Fusion's letter writing sponsorship campaign, printed in articles for festival promotion, and listed in Fusion's festival event opening video.

Fusion Honorary Board Members will not have their names used except in relation to the Fusion Film Festival and only in the contexts explained above. Fusion respects fully our relationships with our Honorary Board Members and will make immediate contact if there are any other circumstances under which Fusion would like to use the names of Honorary Board Members.
